

We're
hiring

CONTENT writers

Are you a freelance writer?

Would you like to write and contribute to a magazine within the biofuels industry?

If yes, we are looking for you.

The Job

- Responsible for researching and writing feature articles for *Ethanol Producer Magazine*.
- Must be able to create compelling, original, and accurate content.
- Content will primarily be used for print publication and digital media.
- Opportunity may be freelance writing or FT/PT employment.

The Writer

- Must be capable of reporting on technical subject matter with proficiency.
- Detailed and deadline driven.
- Personable when conducting interviews.
- Bachelor's degree in communications or journalism preferred.

If interested, email a resume and sample work to service@bbiinternational.com.
