20th Edition FUEL Ethanol INDUSTRY DIRECTORY

2020 Fuel Ethanol Industry Directory

Ethanol Producer Magazine is proud to present the *2020 Fuel Ethanol Industry Directory*, the most comprehensive list of industry suppliers, producers, researchers and government agencies available in the world. The directory is an invaluable resource to help find the contact information you are looking for and help others find you.

The *Fuel Ethanol Industry Directory* is distributed throughout the fuel ethanol industry at workshops, conferences and trade shows. A complimentary copy will be sent to all current subscribers of *Ethanol Producer Magazine*.

**Register for your
FREE LISTING online today!**
directory.ethanolproducer.com

As part of our effort to ensure that the directory is as comprehensive as possible, we are offering one free listing to any organization involved in the ethanol industry. Each additional listing is \$75. In order to receive your free listing, visit our website at directory.ethanolproducer.com and register online.

Logo + Listing

A listing plus a logo is a great way to increase your organization's presence in the directory without having to increase the budget. A listing plus a logo costs \$190 (Listings without a logo are \$75 each. Adding a logo to your one free listing is \$115).

Circulation

**Display your company to more than
8,000 ethanol industry professionals for FREE.**

The *Fuel Ethanol Industry Directory* is circulated throughout the fuel ethanol industry. Including the following:

- All *Ethanol Producer Magazine* subscribers
- All International Fuel Ethanol Workshop & Expo attendees (in attendee bags)
- All North American ethanol production facilities (three to each plant)
- Attendees of all other major ethanol conferences

Listing + Logo

Again this year, we are offering listings plus a logo. This is a great way to increase your organization's presence in the directory without having to increase the budget. A listing plus a logo costs \$190. (Listings without a logo are \$75 each. Adding a logo to your one free listing is \$115.)

Insertion Deadline: April 1, 2020

Artwork Deadline: April 8, 2020

ANY TIME ANY JOB.
COUNT ON US TO KEEP YOUR PLANT CLEAN.
We are a leading provider of industrial cleaning services for the ethanol industry. Our experienced technicians use the latest equipment and techniques to ensure your facility is safe and ready for production. Contact us today for a free quote.

Display Advertising

To more effectively display your products and services, you may want to consider a display advertisement. A full-color display advertisement is the best way to make your organization stand out within the directory. See the Advertising Form for details on display advertisement prices, sizes and options.

Insertion Deadline: April 1, 2020

Artwork Deadline: April 8, 2020

D3MAX LLC COMPANY SHOWCASE
D3MAX DELIVERS HIGHER YIELDS, D3 BINS, GREATER PROFIT
Upgrade Your Plant, D3Max Delivers
D3MAX LLC is a leading provider of ethanol plant equipment and services. Our D3MAX systems are designed to increase ethanol yields and reduce costs, resulting in higher profits for our clients. We offer a wide range of products and services, including D3MAX bins, D3MAX elevators, and D3MAX conveyors. Contact us today for more information.

NEW Company Showcase

Have your story professionally published in the industry directory that will have a shelf life of 12 months. In addition, your story will be added to the online directory site. Use the write-up in your own promotional materials and use the web link of the story on your website.

Call (866) 746-8385 for more details.

Insertion Deadline: April 1, 2020

Artwork Deadline: April 8, 2020

Artwork Specifications

PUBLICATION INFORMATION

Publication (Trim) Size: 8.5" x 10.875"

Live Area: 8" x 10.375"

Paper Stock: 50-lb. gloss-coated guts, 80-lb. gloss-coated cover

Method of Printing: Web press, 150 lpi, process color

Binding: Perfect Bind

Applications: Publication is created in Adobe InDesign. PC files.

Ad placement: Apart from Premium Ad Placements, vertical ads are placed along the outside of the page and horizontal ads are placed at the bottom of the page.

Proofs: We do not supply proofs

Storage of Advertisement: 24 months

ARTWORK SPECS

Color: CMYK/process colors only. NO SPOT COLORS. All spot colors must be converted to CMYK. Color quality is not guaranteed if spot colors are used. No built-in black type.

Fonts: Outline or embed all fonts in the PDF
File Format: High-Res PDF

Resolution: All advertising materials must be at least 300 dpi and submitted at 100% size.

PDF Files: Save with all fonts and images embedded. Save without color profiles. Once PDF is created, please check the bleed – see below for BLEED specifications. If submitted artwork does not meet specifications a new file will be requested.

Bleed: Refer to SIZES for the different bleed-size ads. A 1/4" bleed is required for each side that bleeds. PLEASE CHECK THE LIVE AREA. Ads sizes that don't bleed will have a 1/2" border around the ad.

Live area: To prevent info being trimmed off, all text, logos, etc., must be at least 1/2" in from the edge of the ad.

Trapping: Save files without trapping preferences.

Color Profiles: Whenever possible - do not embed or include color profiles.

SUBMITTING ARTWORK

Media: Email or FTP site

FTP Site: Files may be uploaded to our FTP site.

Call for more information.

CREATING ARTWORK

In-House Production: Ethanol Producer Magazine will create advertisements for clients. The advertiser must submit ad copy, plus high-resolution logos and photos. Photos may be purchased for advertisement, but at the client's expense. Submission of materials should be completed at least one month in advance of print run. Call for applicable production fees.
